

commitment by setting forth guidelines to ensure alcoholic beverages are served or sold only in accordance with all applicable laws, policies, and regulations.

It is the policy of the Board of Trustees that alcoholic beverages may be served or sold in facilities and locations under the control of the Board for events that the Board may determine are public events, and not student-related activities, in accordance with the provisions of Illinois Public Act 980132.

For purposes of this policy, the term "D O F R K R O L s F i n E U r o p e a n U n i o n L y D e g a l l y" produced, commercially available beverages having alcoholic content. All other beverages having an alcoholic content shall be strictly prohibited and excluded from the permissible uses under this policy.

The Board delegates authority to the President of the University or designee to implement this policy through the development of appropriate guidelines and procedures for determining the types of public events that may be eligible for the service or sale of alcoholic beverages.
