

Tuition Waiver Policy for Senior Citizens

The University allows individuals who qualify for benefits listed under the Senior Citizens Disability Pension Tax Relief and Pharmaceutical Act to receive a tuition waiver. By resolution of the Board of Trustees, Chicago State University extends the waiver of tuition for no more than three-credit hours to residents of Illinois who have attained the age of 65 at the time of registration. The waiver is applicable to all baccalaureate and graduate courses, with the exception of doctoral and professional degree programs, for which Chicago State University receives funding on an annual basis from the Illinois Board of Higher Education. Individuals must meet the entrance requirements for admission as well as any course or program prerequisites. The waiver is applicable to those courses where the minimum number of tuition paid registrants has been received and space is available up to the maximum class enrollment. The Provost and Vice President of Academic and Student Affairs may, at his/her determination, waive the previous requirement when sufficient funds are available. Student activity and other course related fees may not be waived and will be paid by each senior citizen registrant.

Applications for tuition waivers are available in the Office of Financial Aide, Room 207 in the Cook Administration Building. Please call 773/995-2304 for more information.
